CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 100 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. The key to accomplishing anything is alignment. Now, that sounds like a simple thing to do, as long as we don't factor in the reality that going through life is like going through an obstacle course. In life making things happen is not always a straight shot, therefore another skill is required. That skill is persistence! Very little is known about persistence, regardless of how frequent you hear the word being used. It's not giving it all you've got, nor is it pestering others until we get what we want. It is an analytical skill, rather than raw effort, therefore an art. Mastering the art of persistence can enable a person to accomplish more, with very little effort and relatively less time with less stress and frustration. Secrets Of The Art Of Persistence is a book and workbook that allows you to master the art of persistence and make things happen even through challenging circumstances. This item ships from La Vergne, TN. Paperback.
