Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Whispers of Nemesis, Anne Zouroudi, From the real life Shirley Valentine, Anne Zouroudi's fifth Greek mystery with the popular detective, Hermes Diaktoros. It is winter in the mountains of Greece and as the snow falls in the tiny village of Vrissi a coffin is unearthed and broken open, revealing some unexpected remains to the astonished mourners gathered at the graveside. In a village where gossip flows like ouzo, the discovery in the grave sets tongues wagging and heads shaking. But when a body is found buried beneath the fallen snow in the shadow of the shrine of St Fanourios (the patron saint of lost things), it seems the truth, behind both the body and the coffin may be far stranger than the villagers' wildest imaginings. Hermes Diaktoros, drawn to the mountains on an affair of the heart, finds himself embroiled in the mysteries of Vrissi, as well as the enigmatic last will and testament of Greece's most admired modern poet. The Whispers of Nemesis is a story of desperate measures and dark secrets, of murder and immortality, and of pride coming before the steepest of falls.
